**NOTICE TO PARENTS AND GUARDIANS**

As the parent or guardian of a teenager, you are entitled to know the minimum requirements of a teen driver education course.

- There are thirty-two (32) required hours of classroom instruction. Your teen must attend the first six (6) hours of classroom instruction before a learner's permit will be issued by DPS. Only two (2) hours of scheduled classroom instruction are permitted per day.
- The classroom instruction phase shall be completed within the timelines stated in this contract and all 32 hours must be attended and successfully completed or made up. If a student fails to successfully complete the 32 classroom hours, this school is required to contact DPS and cancel the learner's permit.
- Seven (7) clock hours of in-car driving instruction and an additional seven (7) clock hours of in-car observation are required. A two-hour increment of behind-the-wheel instruction may be offered once during the behind-the-wheel phase of instruction for each student.
- Twenty (20) additional clock hours of behind-the-wheel instruction must be provided to young drivers and certified by a parent or guardian before a teenager may progress to Phase 2 of the Texas' Graduated Driver Licensing program.
- If your teen transfers to another school or driver training program, timelines may change and credits for classroom and/or in-car training may not be transferable to the new driver training school.
- The entire driver education course must be completed within the timelines stated in this contract. (Note: During peak enrollment periods, in-car instruction times could be subject to availability.)
- **IF YOU HAVE REASON TO BELIEVE THAT THESE MINIMUM REQUIREMENTS ARE NOT BEING MET OR HAVE A COMPLAINT, PLEASE CONTACT THE DRIVER TRAINING OFFICE AT (512) 505-0500.**
